Come and make a difference with this wonderful art form. Tango under the Tent is sharing its 2nd year of bringing the art form to the Hudson Valley. Our unique approach is that our goal is to promote Argentine art, music and dance. We want to share this within the communities who welcome us. Our founder, Jerry Neri's vision was to bring this wonderful experience to different sectors of the Hudson Valley.

We cannot do it without your help—experience the joy of sharing what you know with others. Volunteer on some committees—spend Saturday nights dancing amongst our TutT family.

Your efforts and contributions will make a difference and give the gift of art, music and dance to people who might never know about it. We are in our second year and hope to fulfill the goals and vision of TutT in time.

Your \$25.00 a year membership gives you exposure to all our milongas and special classes. When we have a home for tent—there is no cost for summer milongas. In the winter members pay \$10.00 and non members \$15.00 for the indoor season. The charge is to cover the cost of the space we rent.

All monies we raise goes towards different causes and operational expenses.

Please do come and join us! Log on to our website www.tangounderthetent.org and either renew your membership or if you are not a member—join now. There will be a membership form you can fill out on our web page. We welcome everyone!

If you have questions about what membership entails—contact Jerry or Sher at the above emails.

Bylaws: Article IV
